

How to get to Forest Glade with your touring caravan, heavy trailer or large motor home:-

Touring caravans have no direct access from Junction 28 (Cullompton) to Forest Glade, because of a very steep and narrow hill to the west.

If coming from the North on the M5, use Junction 25 (Taunton) and take the A358 towards Yeovil, then join the A303 and go right down to Honiton. When you get through Monkton and reach the start of the dual carriageway take the exit signposted Honiton. Turn right at the top of the slip road, right again at the next T-junction (do not go into Honiton town centre) and follow the signs for Dunkeswell. * On the top of the hill take the left fork, still heading towards Dunkeswell. You will pass the sign for Wolford Chapel on the left, and then go into the 40 mph speed limit for the village. 100 metres further on, at the end of a belt of large pine trees, turn left at Wolford Cross. Travel 1 mile to the next cross roads and turn right. Keep going along that road and after 1.5 miles turn left (you will pass the Gliding Club on your left). Forest Glade is 0.5 miles along on the right hand side, just around the bend past Woodlands Farm.

If arriving from the South or from North Devon, use Junction 29 of the M5, join the A30, travel along the dual carriageway for about 13.5 miles, and come off the Honiton bypass at the second exit, signposted Dorchester. Turn right just off the slip road onto the Dunkeswell road. Then follow the directions above from *

If coming from Dorchester on the A35, turn right at first mini roundabout in Honiton, follow that road round and over the dual carriageway and take the left turn signposted Dunkeswell. Then follow the directions above from *.

How to get to Forest Glade with your car or motor home:-

If coming south on the A303 or from Dorchester on the A35 follow the directions above.

If coming on the M5 motorway come off at Junction 28 and take the A373 towards Honiton. 2.5 miles from the motorway junction is a pub on the right called the Keeper's Cottage. Turn left just past the pub and follow that road for another 2.5 miles, up a steep hill and into the forest. We are along on the left hand side.
